

Residential Energy Tax Credit

Wincore Manufacturing Statement

Homeowners may claim a tax credit for Energy Star Certified Windows and Doors purchased and installed during 2017. The following guidance is not intended as legal advice. It is recommended that you visit www.irs.gov or consult a tax professional with specific questions.

To be eligible for the credit, Windows and Doors must:

- Meet or exceed Energy Star program requirements (Version 6.0)
- Be installed in a taxpayer's primary residence
- Be purchased and installed during 2017

Homeowners may receive a tax credit equal to 10% of the product cost up to:

- \$200 for eligible for Windows
- \$500 for eligible for Doors
- Installation costs may NOT be included

Homeowners may receive ***NO MORE*** than \$500 total for all energy efficiency tax credits. If you have claimed an energy efficiency tax credit in a previous taxable year, please consult a tax professional or visit www.irs.gov to determine your remaining eligibility for this credit.

For more information about this credit or those from previous years, visit www.irs.gov and see the instructions for ***Form 5695, Residential Energy Credits***.

This Manufacturing Statement can be used by taxpayers to verify that the Wincore Window Company, LLC. products depicted in the charts below, meet all eligibility requirements outlined above. Please see "Energy Star Climate Zone Certification Guide" (right side of chart) to determine compliance of selected product in each Energy Star Climate Zone.

Under penalties of perjury, I declare that I have examined this manufacturing statement, and to the best of my knowledge and belief, all facts are true, correct, and complete.
